Paint

We offer an unlimited amount of paint color options. Our standard paint finishes are chosen for their inviting depth of color, crispness, and classic hues. Custom colors are available that can be matched to any shade, chosen from Farrow & Ball, Benjamin Moore, Sherwin Williams or Valspar, using our personal paint match program.

Stain

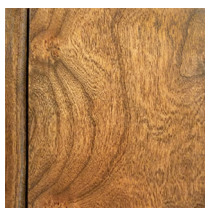

Our hand applied stain palette offers beautiful options that will enhance the richness and natural characteristics of the grain and wood species. Surfaces are sanded by our finish artisans to absorb the stain evenly. The stain is wiped by hand to a transparent color, emphasizing the characteristic of the grain and wood. Our varnish sealer and topcoat protect the finish and give it a lustrous sheen.
