## We Create New Cabinetry, the Old-Fashioned Way.

Since 1876, we've been devoted to the art of fine cabinetry—crafted with care, built for life. In the heart of Nappanee, Indiana, our workshop blends small-town pride with time-honored craftsmanship. While tools have evolved, our values haven't: integrity, hard work, and an unwavering commitment to quality. Many details are still shaped by hand, ensuring every piece is personal, every result exceptional.

As you explore these pages, let them serve as inspiration rather than limitation. Every space is unique, and every vision is personal - our role is to bring yours to life with craftsmanship that knows no bounds.

This is more than cabinetry —it's a legacy.  
And it's one we are proud to share, one cabinet at a time.

*Door Style: Hogan  
Finish: Plain Sliced White Oak, Natural (Bottom) & Porcelain (Upper)*

# WOOD SPECIES & STAIN

## Wood Species and Stain

Our carefully selected hardwoods reveal their natural beauty through hand-applied stains that enhance grain and depth. Each surface is sanded by finish artisans for even absorption, then sealed and top-coated for lasting protection and a rich, transparent sheen.

|          |           |           |              |         |              |            |

# GLASS OPTIONS

## Glass

Glass inserts offer a distinctive touch, balancing transparency with detail. We provide a range of clear, textured, or patterned glass options to complement any style. For a truly personalized element, custom stained and leaded glass is also available upon request—each piece crafted to add beauty, dimension, and a sense of story to your cabinetry. Size limitations may apply on certain glass selections.

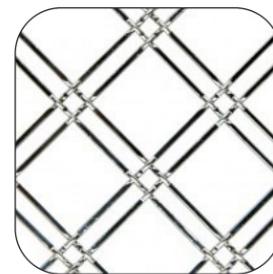

# WI RE ME SH

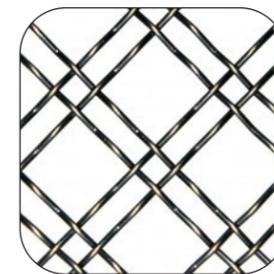

## Wire Mesh

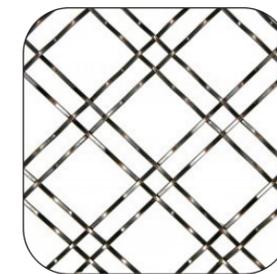

Wire mesh inserts add refined character and unexpected texture to your design. Whether you're aiming for traditional charm or industrial elegance, our collection of handcrafted mesh patterns allows you to tailor each door or drawer with sophistication and personality. Each sample is available in several unique finish options, including Nickel, Chrome, Brass and Copper.
